Business Insights

- Revenue Trend: Monthly revenue varies across the year, helping identify strong and weak sales periods.
- Top Products: The top 5 products contribute significantly to overall revenue and should be prioritized.
- Category Performance: Different categories generate different levels of revenue, helping identify strong performers.
- Regional Performance: Comparing regions helps identify high-performing and underperforming markets.
- Business Action: Focus marketing and inventory efforts on high-performing products and regions while addressing underperforming areas.
